EDUCATION

B.E. in Computer Science and Engineering (AIML). JSS Academy of Technical Education, Bengaluru. CGPA: 8.6.	Aug 2022 – Present
10th Grade (ICSE). Sri R.V. School, Kolar. Score: 95.20%.	Apr 2019 – Apr 2020
12th / Pre-University Course (PUC). Vidya Jyothi PU College, Kolar. Score: 89.67%.	May 2020 – May 2022

SKILLS

Languages :	Java, Python.
Core Concepts :	DSA, OOP, DBMS, OS, Computer Networks.
Web Development :	JavaScript, HTML, CSS, React.js, Node.js, Express.js, REST APIs, JWT Auth.
Databases :	MongoDB, MySQL, CRUD, Schema Design, Indexing.
AI/ML :	Supervised Learning, TensorFlow, NumPy, Scikit-learn, PyTorch.
Tools :	Git, GitHub, Postman, Docker, Firebase.
Soft Skills :	Problem-solving, Communication, Collaboration.

EXPERIENCE

Android App Development Intern – MindMatrix - Integrated GenAI APIs to enhance user interaction in Android applications. - Improved performance by optimizing API calls and modularizing features.	Feb 2026 – May 2026
---	---------------------

PROJECTS

Stock Trading Platform (Zerodha Clone) - Built a full-stack stock trading platform with authentication, portfolio tracking, and real-time stock data. - Integrated external APIs and interactive charts for live market visualization.	Jan 2026 – Apr 2026
Healthcare Data Security using Federated Learning & Blockchain - Privacy-preserving ML system using Federated Learning and Blockchain. - Improved security and scalability over centralized approaches.	Jan 2025 – Apr 2025
Resume Screener Agent - AI-based resume analyzer using Llama 3.1, Groq API, and PDF parsing. - Automated scoring, ranking, and feedback generation.	Nov 2025 – Dec 2025
Smart Traffic Management System - Vehicle detection using YOLOv3 and OpenCV. - Optimized traffic signals based on real-time congestion.	Nov 2024 – Dec 2024

CERTIFICATIONS

Machine Learning Specialization - Stanford University and DeepLearning.AI	Mar 2025 – Apr 2025
Alpha (DSA with Java) - Apna College	May 2024 – Mar 2026
Python for Data Science, AI & Development - IBM	Jun 2024 – Jul 2024
Foundations of Cybersecurity - Google	Apr 2024 – Jul 2024
Google AI Essentials - Google	Apr 2023 – Jul 2023
